Navigation, Home, Media, Power, Volume, and other control icons

The central infotainment screen displays the "Ambient light" settings menu. At the top, it shows the time "12:16" and a signal strength icon. Below the title "Seat Ambient light", there are three main sections: "Colour", "Brightness", and "Effects". The "Colour" section has two radio buttons: "Monochrome" (which is selected) and "Multi-colour". The "Brightness" section is currently empty. The "Effects" section features a horizontal color spectrum slider with a blue handle on the left and the number "1" on the right. Below the main menu, there are two circular climate controls, each showing "16.0°" and a fan icon. Between these controls are icons for "MAX" defrost, "AUTO", "Climate menu", "REAR" defrost, and "A/C". At the bottom of the screen is a horizontal bar with several icons: "DYNAMIC" with a play button, a camera icon, a car icon, a hazard light icon, a home icon, a power icon, a mute icon, and volume control symbols (- and +).
