GLE 450

4MATIC

A close-up photograph of the rear of a dark-colored car. The focus is on a silver, three-dimensional '4MATIC' badge mounted on the trunk lid. Below the badge, a portion of a red taillight is visible, showing a horizontal light bar. The car's surface is highly reflective, mirroring the surrounding environment, which includes palm trees and a building. The lighting is bright, suggesting an outdoor setting during the day.
