Check surroundings!

The image shows a car's infotainment screen with a navigation application. At the top left, there is a home icon and a car icon. A search bar contains the text "Where to?" with a car icon to its left. The main display is a 3D-style map showing a route with green highway shields numbered 67 and 62. Labels on the map include "Manama St.", "Nad Al Hamar Road", "31 St.", "36C St.", and "Ras Al Khor Industrial Ar". A small car icon indicates the current position on the route. At the bottom, there is a radio control bar showing "98.9 MHz" with play/pause and skip buttons, a "Phone" button with a mobile phone icon, and two temperature displays showing "18.5°C". A "3D" button is visible on the right side of the map area.

The image shows a car's infotainment screen displaying the 'Side bolsters' adjustment menu. The screen is dark blue with white text and icons. At the top, there are navigation icons: a home icon, a back arrow, and a car icon. The time '12:54' is displayed in the top right corner. The main title 'Side bolsters' is centered at the top of the menu. Below the title, there are two columns for 'Driver' and 'Passenger'. Each column has a vertical slider with a yellow indicator and numerical values 0, 5, and 10. The Driver slider is currently set to 0, and the Passenger slider is also set to 0. To the right of the sliders, there are two 3D models of car seats, one for the driver and one for the passenger, showing the side bolsters. The background of the screen has a subtle grid pattern.

The image shows a digital instrument cluster with a dark blue background. At the top, there are navigation icons (home and car) on the left and signal, Wi-Fi, and time (12:56) on the right. Below these are four menu tabs: 'Автомобиль' (highlighted with an orange underline), 'Двигатель', 'IWC', and 'Расход'. The main display area features a central 3D model of a dark blue sports car. To the left of the car is a circular acceleration gauge with a red needle pointing to 0.0 and concentric circles labeled 0.5, 1.0, and 1.5g. Below the gauge is a temperature indicator showing a change of 18.5°C. To the right of the car, there are two vertical bars representing pedal acceleration (0%) and braking (18%), with a checkered flag icon below them. At the bottom center, there are two circular icons: a steering wheel and a target symbol. The entire interface is overlaid on a blurred background of the car's interior and wheels.
