Select the view by touching the display 

Navigation system interface showing a 3D map of an industrial area. The map includes labels for streets such as Ras Al Khor Industrial Area, 15B St., 23 St., 24D St., 25C St., 31 St., 36C St., Manama St., 36B St., Nad Al Hamar Rd., and 21 St. A car icon is positioned on the map near a green highway shield labeled 62. A search bar at the top left contains the text "Where to?" and a home icon. The top right corner displays "4G" and "13:22". A "3D" button is visible on the right side of the map. At the bottom, there are two volume sliders labeled "LOW" and a notification bar that reads "No device connected" with a warning icon. A "Phone" button is also present in the bottom right area.

A silver metal control panel with four buttons labeled M, 1, 2, and 3, and a lock icon. The panel is mounted on a black carbon fiber textured surface.

A silver metal control panel with three buttons. The first button has a seat heating icon and a red dashed line below it. The second button has a seat ventilation icon and a blue dashed line below it. The third button has a seat memory icon and a minus sign below it.

A silver metal speaker grille with a circular pattern of perforations and the Burmester logo. The grille is mounted on a black carbon fiber textured surface.

التنبيه : أبعاد وبعد الصورة العرئية غير حقيقية

TURBO
4MATIC+

A close-up photograph of the Mercedes-AMG logo. The logo is rendered in a highly reflective, metallic silver finish. It features the Mercedes-Benz three-pointed star emblem on the left, followed by the letters 'AMG' in a bold, blocky, sans-serif font. The letters are three-dimensional, with visible highlights and shadows that emphasize their metallic texture. The logo is mounted on a dark, possibly black, surface. In the background, a faint, circular watermark is visible, containing the text 'AMG' and a registered trademark symbol (®). The overall lighting is dramatic, highlighting the sharp edges and reflective surfaces of the logo.
