VOLUME

A large, circular volume knob with a silver-colored ring. The word "VOLUME" is printed in white at the top. In the center is a white power button icon (a circle with a vertical line through it). The knob is mounted on a black plastic panel with two screws visible on the left side.

FRONT

A rectangular button with a white icon of a windshield with three upward-pointing arrows. Below the icon, the word "FRONT" is printed in white. A small black indicator light is located above the button.

A rectangular button with a white icon of a steering wheel with three upward-pointing arrows. A small yellow indicator light is located above the button.

A rectangular button with a red upward-pointing chevron icon.

A rectangular button with a white icon of a rear window with three upward-pointing arrows. A small black indicator light is located below the button.

A rectangular button with a white icon of a seat with three upward-pointing arrows. Three yellow indicator lights are located to the left of the button.

A rectangular button with a blue downward-pointing chevron icon.

MUTE

A rectangular button with the word "MUTE" printed in white.

A rectangular button with a white icon of a steering wheel with a circular arrow around it.

A rectangular button with a white icon of a padlock.
