Steering wheel with Ford logo and AIRBAG label. The wheel features red stitching and a red stripe at the top. The center of the wheel has the Ford logo and the word 'RAPTOR' in red. The steering wheel is equipped with various control buttons for cruise control, audio, and other functions.

Central infotainment screen displaying a navigation map and safety warnings. The screen is flanked by two air vents with red accents. Below the screen are three rotary dials for climate control and other settings. The screen displays a navigation map with a red line indicating the current route and a warning message: "Please check surroundings for safety."

Driver's seat with black leather upholstery and red stitching. The seat is positioned on the left side of the vehicle. The red stitching is visible along the edges of the seat and on the side bolsters.

Passenger's seat with black leather upholstery and red stitching. The seat is positioned on the right side of the vehicle. The red stitching is visible along the edges of the seat and on the side bolsters.

Center console featuring a gear shifter, handbrake, and two cup holders. The gear shifter and handbrake are black with red stitching. The cup holders are located on either side of the handbrake.
