harman/kardon

A close-up photograph of a car's interior, focusing on a speaker grille. The grille is a dark, perforated mesh with a silver-colored border. The text "harman/kardon" is printed in white on the grille. The surrounding area is a dark, textured material, likely leather or a similar synthetic material, which is part of a car seat. The lighting is dramatic, highlighting the texture of the materials and the fine details of the speaker grille.
