A close-up photograph of a car's interior speaker. The speaker is a circular, mesh-covered unit with a black frame, mounted on a dark, textured surface, likely leather or a similar material. The mesh is a fine, grid-like pattern. The brand name "harman/kardon" is printed in white, lowercase letters on the center of the speaker's face. The lighting is dramatic, highlighting the texture of the speaker and the surrounding material.
